Health Care Law

The practice of medicine can be difficult to navigate through the rough waters of government laws and regulations. Fortunately, Strong & Hanni's Health Care Law Group has the knowledge and experience to guide physicians, physician groups, clinics and hospitals to their safe destinations. We provide legal services to medical providers and entities for the many legal issues they face, including: RAC Audits, Medicare/Medicaid Regulation and Compliance, Stark Law and Medical Licensing, just to name a few. The Health Care Law Group is prepared to assist you with your legal needs.

Group Members

R. Scott Williams *Shareholder* • swilliams@strongandhanni.com

Scott received his B.S. in Political Science in 1974 and his J.D. in 1977 from the University of Utah. He has been representing clients in health care law matters for over 24 years. He has experience in a variety of health care law matters, including malpractice claims, licensing issues for physicians and defense of manufacturers of medical devices. He has served on the Legal Health Care Committee for the litigation section of the Utah State Bar and as a member of the Medical Liability Committee of the Defense Research Institute. He has lectured widely, and was the Utah State Representative for all Defense Lawyers for 11 years on the Defense Research Institute.

Peter J. Baxter *Associate* • pbaxter@strongandhanni.com

Peter received his B.S. in Accounting in 2000 from Brigham Young University and his J.D. in 2004 from Wake Forest University. He has several years of experience representing clients in health care matters. He has experience in advising clients on health care management and regulatory issues, a variety of medical malpractice claims defending doctors, nurses and other health care professionals and defending medical device manufacturers in product liability litigation. He is a member of the American Health Lawyers Association and has served on the Medical Liability Committee of the Defense Research Institute.
